

Restoria

Restoria *Express for Men* colours grey hair in minutes.

Easy to apply Restoria *Express for Men* is the new easy way to effectively colour your grey hair. Just comb in the colour, your hair will be significantly darkened in minutes. You can start using Restoria anytime (even if you have previously used another hair colouring product) you are sure to find it easier and faster – with better results!

Natural looking results

Restoria *Express for Men* will colour your grey leaving your hair silky and shiny. The colour will last for weeks and will not wash out.

Continuous Permanent Coverage

As new grey roots grow out, just squeeze equal amounts of Restoria *Express for Men* colour and the activator onto the comb provided and apply to the grey hairs ensuring with the aid of the glove, that the two creams mix to maintain constant dark coverage.

Adjust the depth of colour

If you prefer a lighter or darker shade, simply adjust the waiting time. For a lighter colour, wait only 2-3 minutes. For a darker colour, wait up to 10 minutes. ***This is the maximum waiting time.***

Speedy Action

Remember, Restoria *Express for Men* works very quickly, so if you have a lot of grey hair to cover initially, remember that the colouring action will begin as soon as you apply Restoria *Express for Men*. You may find it easier to apply to one section at a time, rinsing and drying between applications, e.g., top, back, sides.

Restoria *Express for Men*

- Provides permanent colour in only 5 minutes
- You control the colour
- No drip formula means no mess
- Colours the hair, beard and moustache
- A brand you can trust
- Available in 5 natural looking colours

Beards & Moustaches

Ensure that you have carried out the sensitivity test 48 hours prior to application. As beard and moustache hair is stronger than hair of the scalp you may have to wait longer for the result. Take care to wipe any excess off the skin immediately. We suggest that you do a small test first and check the result.

Before using Restoria *Express*

1. Read through the instructions carefully
2. **Do the allergy test**
3. Make sure that you have everything that you need, including a timer, watch or clock. Some people also like to use a tint brush or a small brush as well as or instead of the applicator provided

WARNING

This product contains ingredients, which may cause skin irritation to certain individuals. A preliminary test according to the accompanying directions should be made before use. This product should not be used for dyeing eyelashes or eyebrows; to do so may be injurious to the eye.

Allergies can develop suddenly, that is why we recommend testing for sensitivity 48 hours before each application.

1. Clean a small area on the inside of your elbow or behind your ear. Pat dry.
2. Squeeze a little cream from both tubes, mix and apply to the cleaned area with a cotton bud.
3. Let it dry for about 15 minutes then wipe off.
4. Do not wash or rinse for 48 hours, if not adverse reaction, proceed with hair colouring.

First Aid

If swallowed and if more than 15 minutes away from a hospital, induce vomiting, preferably using *Ipecac Syrup APF*.

If any mixture gets into the eyes rinse immediately and thoroughly with cold water. If irritation persists, seek medical attention.

Restoria *Express* is presented in a multi application pack and the range provides for 5 colours. The retail price is approximately R180.00
